FOR IMMEDIATE RELEASE

Valin Corporation Acquires Power Transfer Products

Valin continues to add to its filtration and process heating portfolio

San Jose, Calif. (Jan. 15, 2019)— Valin Corporation, a leading technical solutions provider in San Jose Calif., announces it has acquired [Power Transfer Products](#), located in Alvin, Texas. The acquisition strengthens Valin's filtration and process heating portfolio while simultaneously furthering the company's geographic reach. The acquisition was made effective on January 1, 2019.

"We're excited to announce that Valin has acquired Power Transfer Products," said Joseph Nettemeyer, President and CEO of Valin Corporation. "We're always making strides to bolster our product portfolio and service offerings for our customers while entering into new geographic markets. By acquiring Power Transfer Products, we're able to continue this effort."

Serving the USA, Canada and Latin America, Power Transfer Products is a quality supplier of pumps, meters, and all other equipment related to the handling of liquid products. The company's philosophy puts an emphasis on application engineering to ensure its products meet customer requirements.
