Valin Named 23rd Largest Private Company in Silicon Valley

San Jose, Calif. (Sep. 19, 2018)— Valin Corporation, a privately held, employee-owned company providing technical solutions for the technology, energy, life sciences, natural resources, and transportation industries was recognized as one of the Largest Private Companies in Silicon Valley for the eighth consecutive year. Ranked by the Silicon Valley Business Journal, the list recognizes the largest private companies in Silicon Valley, one of the strongest local economies in the United States. Valin is listed as the 23rd largest private company, up two spots from last year's list.

"We are again very proud to be named to Silicon Valley's Largest Private Companies list," said Joe Nettemeyer, President and CEO Valin Corporation. "Our company makes strides every year to grow through an expanded services portfolio and improved knowledge base. The incredible people we have working at Valin are truly what makes this company work. The tireless dedication by the staff is a key factor to our continued growth. Every member of the Valin team deserves special recognition in this honor."

The Largest Private Companies in Silicon Valley list is an annual selection of companies published by the Silicon Valley / San Jose Business Journal. Companies are selected and ranked based on 2017 fiscal revenues.
