Valin Corporation listed on Industrial Distribution Big 50

Valin continues to earn a spot among the elite global distributors

San Jose, Calif. (Oct. 5, 2022)— Valin Corporation, a privately held, employee-owned company providing technical solutions for the technology, energy, life sciences, natural resources, and transportation industries was named to the annual Industrial Distribution Big 50 List. The list recognizes the industrial market’s 50 largest global distributors based on revenue.

“Every year that Valin is named to Industrial Distribution Big 50 list is a reminder of our unique standing in the industry,” said David Hefler, President of Valin Corporation. “It is such an honor to be listed alongside other such successful distributors. As we continue to grow our business, a big ‘congratulations’ is due to our tireless, dedicated staff that helps our organization stand out among the rest.”

The Big 50 companies are ranked according to 2021 total worldwide sales. Valin is focused on an open, adaptive workplace designed to deliver the very best customer service to its customers. Valin continues to grow organically and consistently through key acquisitions and bolstering their intellectual capital.
