Valin Named 33rd Largest Private Company in Silicon Valley

San Jose, Calif. (August 20, 2020)— Valin Corporation, a privately held, employee-owned company providing technical solutions for the technology, energy, life sciences, natural resources, and transportation industries was once again recognized as one of the Largest Private Companies in Silicon Valley. This is the 10th year in a row that Valin has received this prestigious honor. Ranked by the Silicon Valley Business Journal, the list recognizes the largest private companies in one of the strongest local economies in the country, Silicon Valley, California. Valin is represented on the list as the 33rd largest private company.

"It's an honor to once again be included in the Silicon Valley's Largest Private Companies list," said Joe Nettemeyer, President and CEO Valin Corporation. "We're continuing to evolve our product and service offering to meet the needs of our dedicated customer base. We're most excited to share this honor with our entire team. Being listed among some of the top companies in the prestigious Silicon Valley business region is truly special."

The Largest Private Companies in Silicon Valley list is an annual selection of companies published by the Silicon Valley / San Jose Business Journal. Companies are selected and ranked based on 2019 fiscal revenues.
