Valin Corporation Acquires Jensen Instrument Co.

Acquisition strengthens Valin's process control and fluid handling portfolio

San Jose, Calif. (Oct. 12, 2022)— Valin Corporation, a privately held, employee-owned company providing technical solutions for the technology, energy, life sciences, natural resources, and transportation industries has acquired Azusa, Calif. based Jensen Instrument Co. Made effective on Sep. 16, 2022, the acquisition bolsters the already robust process control and fluid handling product portfolio in Southern California and Nevada.

"We're thrilled to announce that we've acquired Jensen Instrument Co.," said Dave Hefler, President of Valin Corporation. "The company's reputation in the marketplace is very well respected, and we're looking forward to expanding our process control and fluid handling knowledge while improving our offering to our customer base."

Established in 1925, Jensen Instrument Co. specializes in instrumentation and control products for flow, pressure, temperature, and level requirements.
