

IAI ROBO Expo

Discover the benefits of the ROBO Cylinder lineup through our hands-on training. See how easy and affordable the ROBO Cylinder electric actuators are in meeting your needs. All attendees will be provided with a ROBO Cylinder complete ERC2 Demo kit (controller/USB adapter) to be used during the ROBO Expo. This Expo is designed with the non-programmer in mind, but still provides high levels of capability.

Attendees will also receive a certificate for a free actuator/controller worth over \$500 at the end of the expo. The coupon is good for a selection from Robo Expo Promo Sample List Catalog and must be redeemed with 90 days (limit one per company).

Go Airless!

Learn about energy efficiency and cost saving benefits with ROBO Cylinder!

Companies that have a specific application that matches the capability of the ROBO Cylinder will have a chance to choose and receive a FREE ERC2, RCP2 or RCA series ROBO Cylinder from the IAI ROBO Expo Promotional Sample List. Offer is valid for 3 months after the ROBO Expo attendance date. Offer restricted to one actuator/controller per company.

To be eligible to receive the coupon you must be a new IAI customer. Existing customers may attend at no charge, but will not receive the coupon.

Cost...

- \$130 per person/company (maximum of 2 people per company)

IMPORTANT: You will need to bring a laptop with you to the Expo.
